

Lecture 13 - exercise

Tuesday, 18 October 2022 12:00

of O_1, O_2, O_3 and hence returned (only O_1 is evaluated; for ordered permit overrides, we certainly get O_1 and O_4)

obligations could be

$\{O_1, O_4\}$ or

$\{O_3, O_4\}$

In case of ordered-permit-overrides, we are certain to get $\{O_1, O_4\}$
